

North Butler Elementary School

5539 Brownsville Road, Morgantown, KY 42261

Students, Parents and Community:

I hope you have had a well-deserved, relaxing summer break. On behalf of the faculty and staff of NBES, it is my pleasure to welcome everyone back for a productive and positive 21-22 school year! We are looking forward to developing and maintaining a successful partnership with you in order to achieve student success. At North Butler Elementary, our purpose is to meet and exceed the needs of every child, every day. This includes supporting our students academically, socially, and emotionally. We believe in the potential of every student, and that every child can learn. We can achieve this together by continuing to provide experiences that are positive, relevant, and challenging.

I would like to welcome several new staff members to North Butler. First, I would like to welcome our new Assistant Principal, Mrs. Lexie Belcher. She comes to us from Butler County Middle School where she received the Teacher of Excellence Award this school year. I am extremely excited about the care, knowledge and commitment she will bring to our students at NBES. We are also excited to welcome our new school secretary, Mrs. Ashlee House. Though she is not “new” to North Butler, she is stepping into a new role. I can guarantee you will be greeted with a smile and helpful presence each and every time you call or enter our school.

I would also like to welcome our new preschool teacher, Ms. Kaitlyn Wilson. Ms. Wilson is a Butler County native (and former NBES cub) and will be enjoying her first year of teaching with our delightful preschool students. In addition, we are eager to welcome Ms. Ashlenn White to North Butler as a Speech Language Pathologist. Ashlenn brings a wealth of knowledge of speech and language disorders and we are grateful to welcome her to our school. Lastly, we would like to welcome Mrs. Tabby Havens as a paraeducator to NBES. Mrs. Tabby brings years of experience of working with special education students and we are excited for her to join our CUB family. We have no doubt that these ladies will bring a great deal to our school for many years to come!

Next, I would like to thank our custodians Jennifer Jones and Robbie Parrish for their hard work and dedication for getting our school ready for the upcoming school year. They have worked tirelessly on the floors, walls, and other facilities in order to make our school look tremendous for our students. North Butler is definitely lucky to have such wonderful custodians.

North Butler Elementary School

5539 Brownsville Road, Morgantown, KY 42261

We look forward to learning more about you and your child/children as we work together to continue providing a positive, engaging, and rigorous learning environment for all students. You can be assured that we will always do what's best for our students. As we take on new challenges and continue to meet new goals, we will together grow our students into well-rounded citizens. Please feel free to contact me anytime if you have questions or concerns. I look forward to working with each family during this upcoming school year.

Mission Statement

To successfully bring ALL students into the 21st century by fostering each student's educational, social, and physical well-being. At NBES, we will strive to motivate, love, and prepare our students for a rapidly changing world, by instilling critical thinking skills while setting high expectations for all students.
