The Butler County 911 System is state of the art and is functioning well. The Butler County Ambulance board has worked hard to upgrade the 911 system in the last 10 years and to maintain all state regulated mandates.

Introduced, seconded and adopted at a duly convened meeting of the Butler County Ambulance Service board held on Tuesday, February 14, 2017, signed by the Chairman of the board, attested by the Director of the Butler County Ambulance Service, filed and indexed as provided by law.
