"Success isn't about how much money you make, it's about the difference you make in people's lives."

If this is the case then Angela "Angie" Peay has been making a difference in people's lives since the day she was born. Born October 12th, 1971 to parents Jerry Allen Jones and Patricia Gail Jones. Angela was one of 3 children that also included brothers Jerry Bradley Jones and Todd Allen Jones.

Angie married the love of her life, Eddie Dwayne Peay, son of Doris and Tyler Peay, in the beautiful state of Hawaii on 6/30/1997. Angie worked at Russ Dairy Mart at a young age and then moved on to Sumitomo Electrical Wiring Systems where she worked for twelve years. She attended Owensboro Community and Technical College where she obtained her Practical Nursing license in May 2005. On 6/7/2005 Angie joined the nursing staff at Morgantown Care and Rehabilitation Center first as a C.N.A. then as a nurse after passing her boards. Angie has also been the Medical Records Director where her skills at organization and efficiency are always on display. Most recently Angie was promoted to the Restorative Nurse Manager position. In 2018 Angie was awarded the honor of Signature Champion which recognizes the talents of outstanding stakeholders.

The comfort and well-being of others is very important to Angie and she has devoted her life to caring for others. Whether it's the elders she takes care of on a daily basis or family members, Angie often puts others above herself. She can be found on holidays and special occasions gathered around the table celebrating with her loved ones.

Family is so important to her that in May of 2016, Dwayne and Angie, welcomed into their home and hearts Analeigh Faith Peay. The smiles that light Angie and Dwayne's faces are the only proof you need that Analeigh is the center of their lives. She keeps them busy with her vivaciousness and energy.

When not busy caring for others Angie loves reading, couponing, shopping and traveling. Routine trips to the Smoky Mountains are a must for this nurse and mother.

To those who know Angie Peay the best word used to describe her would be loving and it is that love for which we induct her into the Hall of Fame. Love for family, love for friends, love for her job, and it is that love that makes her the wonderful person she is today.
