

**Proposal for Butler County**  
**Recycling Center and Solid Waste Coordinator**

**Recycle Center**

- The recycle center will be open on Monday and Tuesday to the public. Business's and the public can drop off their cardboard on Monday and Tuesday.
- Monday all cardboard in Morgantown will be collected from the trailer and from any business that has scheduled a pick-up.
- Tuesday cardboard will be bailed and the recycle center will be cleaned.
- Any rainy days can be used to bail cardboard, clean the building, or work on reports.
- There will be one trailer located in each district. When notified that the trailer is  $\frac{3}{4}$  full it will be exchanged with an empty trailer.

**Solid Waste Coordinator**

- Wednesday, Thursday and Friday's county roads will be cleaned on a weekly rotation per district.
- Illegal dumps may take priority over roads to be cleaned up.
- Cleaning the roadways will consist of getting 2 inmates from the county jail to help with the clean-up.
- A monthly report needs to be submitted and entail what roads, illegal dumps were cleaned up and the amount of cardboard sold per month.
